Enquiries & sales follow-up

8 Sep 2026 – 7 Oct 2026
Generated 7 Oct 2026, 10:00 SAST

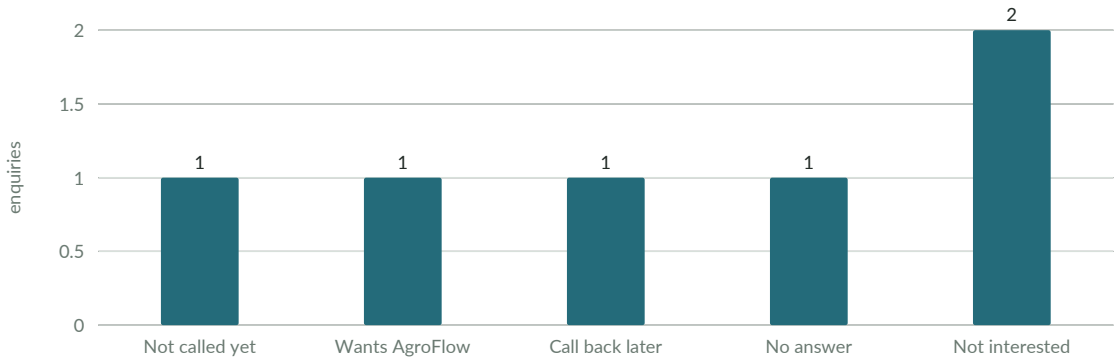

Do this next

1. 1 call-back is due today.
2. 1 enquiry is older than 2 working days with no call - the form promised one by now.
3. 1 enquiry has had no answer 3 times: try a different time of day, or close it.
4. The top reason for "no" is no reliable internet or WiFi (1 of 2): consider the offline kit option.

How it went

6	5	1 (16.7%)	about 7 hours	1
enquiries received	called	became farmers	average time to first call	call-backs due

Outcomes

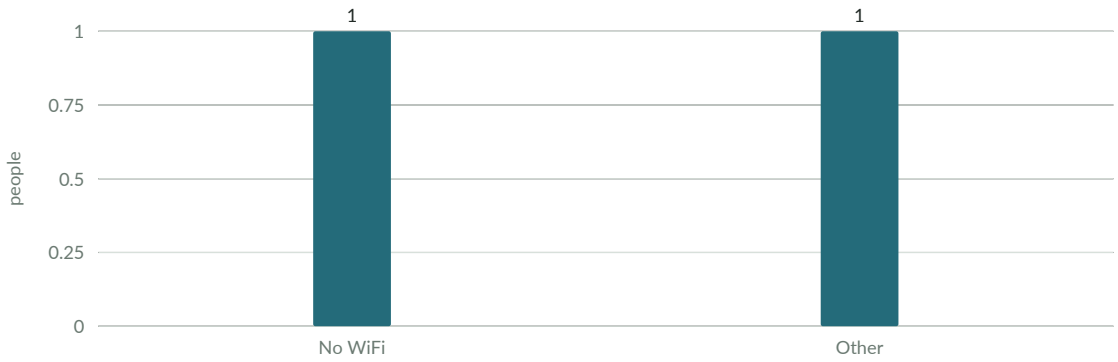

Counts are for enquiries received in the period. Call-backs due and enquiries waiting are as of today.
AgroFlow · smart irrigation

Enquiries & sales follow-up

8 Sep 2026 – 7 Oct 2026
Generated 7 Oct 2026, 10:00 SAST

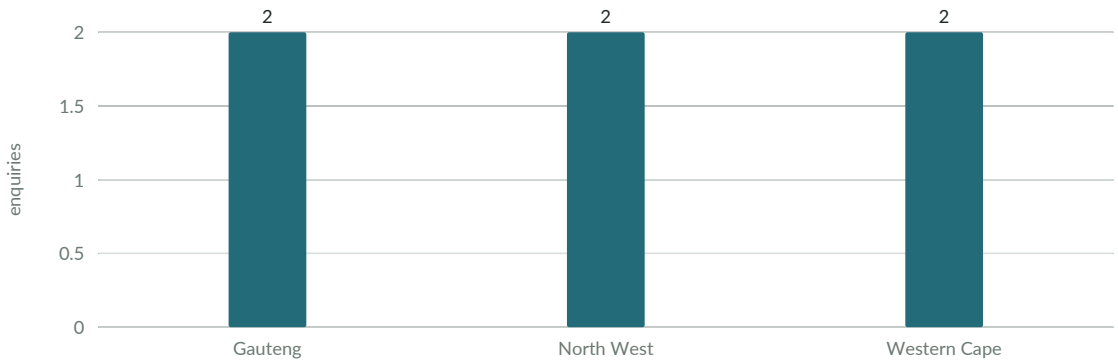

Why people said no

No reliable internet or WiFi: 1 · Other: 1

"Other", in their words:
- Moving to the city

Enquiries by province

Time to first call, by week received

Average hours from the enquiry arriving to its first call, for enquiries received that week.
